2017 NATIONAL VOCATIONS AWARENESS WEEK

November 5 - 11

Did you know that in our country, compared to 50 years ago, there are 20,000 fewer priests and 130,000 fewer religious sisters? At the same time, the catholic population has continues to grow steadily. Many factors have contributed to the decline: growing secularism, a lengthened period of adolescence, attitudes about celibacy, etc. During Vocations Awareness Week, please pray that young people in today's society will hear and respond to God's call. And do your part to encourage them to consider the priesthood and religious life.

NORTHLAKE CRISIS BABY BOTTLE CAMPAIGN

Your KC Council would like to thank you, the parishioners, for your financial support of our Baby Bottle Campaign. We handed out 200 bottles and got back 145 of them with donations. We have not received the total amount collected since the count is done by The North Lake Crisis Pregnancy Center. Once we get that number we will gladly pass that information on to you. Know that your contributions to this worthy cause are a step in the right direction to eliminate abortion which in turn saves lives. Thank you again for your support.

TREASURES FROM OUR TRADITION

What is the name of the pope's cathedral? If you said the Vatican, or St. Peter's, you were off by a few miles, since the answer is the Basilica of St. John, the Lateran, the "Mother Church" of all the churches of the world and the cathedral of the Diocese of Rome. It takes its name from the Lateran family, the Trumps of their day, who somehow ran afoul of the Emperor Nero. He seized all their property, including their vast Roman palace and estate. We don't know how Plautius displeased Nero so badly, but eventually all the Lateran property came to Constantine, the first Christian emperor, through his wife, Fausta. Early in the fourth century, when Christianity was at last legalized, Constantine gave the property to the church. Soon the great meeting halls were expanded and adapted.

Over the centuries, the church building has been sacked by armies, ruined by fire, torn down, and rebuilt. The oldest and most unchanged part of the Lateran is a vast, separate baptistery with steps leading down to a huge green basalt pool. Imagine what a triumphal moment the dedication of this public church building was for a community that had worshiped in secret for so long! This Thursday's feast of the Dedication of the Lateran Basilica is really about the tradition of consecrating space for worship, and so by extension, a feast for your parish church building and, given the beautiful second reading, for its baptistery as well.

Volunteers to Sew and Fabric Needed for PSR Christmas Program

The parish school of religion is planning to remake and enhance the costumes used for the Christmas Program. If you enjoy sewing and can make one or more costumes for the Holy Family, the angels, wise men, and shepherds, please call or text Theresa Wilfert at 778-4755 or call the church office.

If you have washable fabric (1 1/2 yards minimum) in solids, stripes, or other appropriate designs that can be used for costumes, please bring to Church office or call Theresa. We can also use washable braid or trims. Please check your fabric stash as soon as possible. All donations are appreciated.

Altar Society would like to thank everyone for continuous support of flower donations. Your generosity allows us to continue decorating the church on holy days.
