We are now looking for adult volunteers to fill their shoes. If you feel this is something that you would like to consider, please call the office for more information.

St. John's is excited to announce a Reunion for all of the students who attended school here as children. The reunion will take place on May 12th in Odilo Hall from noon until 3:00 p.m.

TREASURES FROM OUR TRADITION

In ancient Rome, the beautiful month of May was dedicated to the goddess Flora, the patroness of flowers and new life. May 1 was considered the beginning of abundant growth, and a day for public festivals aimed at expelling winter. Even after Christianity took hold, the customs of the pagan feast lingered behind. Long ago, there was a thirty-day devotion to Mary, sometimes called "Lady Month," which began on August 15. By the eighteenth century, the custom of assigning devotions to months of the year was developing. June, for example, was the month of the Sacred Heart, and October was for the Holy Rosary. Beginning with the Jesuit Order in Rome and spreading throughout the world, May has been celebrated as the month of Mary, the Blessed Mother, for more than two hundred years. That was a welcome remedy to some enduring pagan practices, such as maypole dancing and the crowning of the May Queen. Some historians say that in ancient times the May Queen was actually a human sacrifice. Devoting May to Mary is undoubtedly a better thing to do.—Rev. James Field, Copyright © J. S. Paluch Co.

SEVEN WAYS FAMILIES CAN FOSTER VOCATIONS

IDEA 2 Watch a better movie.

When it's time for family movie night, take a pass in *Spy Kids 4* and check out *A Mission of Love* (The Life of St. John Bosco). There are tons of other Catholic films that depict heroic and interesting priests and religious. The conversation afterwards is far more meaningful than which explosion was the biggest!

"The Christian family, which is truly a domestic Church', has always offered favorable conditions for the birth of vocations."
