### NEW WEBSITE!!!

We are happy to announce that our parish website has had a makeover! With the help of a company that is assisting the Archdiocese in this, we have improved the look, ease of use and features of the website. More links to other sites are now offered. It is still a bit of a work in progress but please check it out. We are hoping that the different groups and ministries will use it so that things won't depend so much on bulletin and church announcements. It's a digital age! Here is the new address: [stjohnbaptistfolsom.org](http://stjohnbaptistfolsom.org) Enjoy!

### RICE BOWL CAMPAIGN

Thank you to all who participated in this year's Lenten Rice Bowl Campaign. You have generously donated \$1,809.42. Because of your giving, you will have a huge impact on someone's life. GOD BLESS YOU!

### SAFETY IMPROVEMENT

Recently a parishioner coming to Mass fell at the front steps and broke her hip. I have foreseen this unfortunate accident because of the many who struggle with the present steps. My original proposal for both ramp and new steps was shot down and improvements were made for handicap parking and the existing ramp. It is now past time that we address the danger of the front steps. So many have commented on the smaller steps at the vestry and the office as being much better, I have decided to go with that. A parishioner with years of experience with concrete and/or brick has come up with a design and plan to do this. We are currently looking for someone to do the work with the least amount of disruption to our weekend Masses. If you or someone you know does cement work with steps, please call the office to offer a bid or contact information. Every effort will be made to make the new look as much like the old as possible. Grace and peace,  
Fr. Robert

## TREASURES FROM OUR TRADITION

In medieval times, one country, Scotland, linked its economy to the liturgy. Four holy days of the church calendar were keyed to the legal year. On these days, rents were due, clergy and servants were paid, and contracts and leases would begin or end. The term days were Pentecost (called Whitsunday), the Feast of Saint Martin on November 11 (Martinmas), the Feast of the Presentation on February 2 (Candlemas), and August 2 (Lammas), a harvest festival. On Lammas day, the first loaf of bread from the summer wheat harvest was given to the village priest. After the Reformation, which swept the Catholic festivals away, the term days were gradually detached from the old feasts. It was only in 1990 that the term days were anchored on the 28th of February, May, August, and November. Today the old Scottish universities are the last hold-outs, still naming their terms or semesters after the old festivals. Scottish students today may not know about the liturgical year, but they still call the fall term Martinmas, and the spring session Candlemas.—Rev. James Field, Copyright © J. S. Paluch Co.

## SEVEN WAYS FAMILIES CAN FOSTER VOCATIONS

**IDEA 1** Snuggle up and read a story.

Sometimes the simplest ideas are best! Add some books about famous saints to your bedtime reading. There are dozens of fascinating, age-appropriate stories of saints who were priests and religious. There's even a comic book about St. John Paul II as a child.

***"The Christian family, which is truly a domestic Church, has always offered favorable conditions for the birth of vocations."***
